The screenshot shows a dark-themed IDE window titled "Run" with a sub-header "GameTesterDriver x". Below the header is a toolbar with icons for running, debugging, and other actions. The main area displays the command prompt output of the Java program. The command executed is "C:\Program Files\Java\jdk-22\bin\java.exe" with various JVM arguments. The program prompts the user for a tester name, which is "ogi", and asks if the tester is full-time, to which "yes" is entered. The program then outputs the tester's salary as \$3000.0. Finally, it shows "Process finished with exit code 0".

```
Run GameTesterDriver x
"C:\Program Files\Java\jdk-22\bin\java.exe" "-javaagent:C:\Program Files\JetBrains\IntelliJ IDEA 2024.2.3\lib\idea_rt.jar"
Enter tester name: ogi
Is the tester full-time? (yes/no): yes
Tester Salary: $3000.0
Process finished with exit code 0
```
